**Membership Applications** – None this month

### Unfinished Business

**Nominating Committee** selections have all accepted their nominations. There were no other nominations. Nominees are Kym Thew, Linda Miller, Mary Amann, Bruce Hodge & Pam Richards.

**Carnival** – for next year, we would like for all club members to spread the word

**Non-Profit Status** – Jo has been working with Don Wieleke to get the Non-Profit Status and we hope to have more info for next month's meeting.

**Club Sponsorship for website** – Jackie has done some research and what is currently out there is mostly clubs that allow vendors to pay to be on their site for \$150-\$200 and they also give them spaces at their specialty shows. It was decided to wait on this until we get our Non-Profit status.

### New Business

**Pet Expo – March 24 & 25, 2012** – they will be providing a \$1 off coupon to each club or rescue group. This coupon will have our name on it and for each coupon comes in for us, we will receive \$1. Jackie also checked on the having the doggie coats at the Pet Expo and we are not allowed to sell them as they are considered a commercial product and we would have to have a commercial booth – which is much more expensive.

### Brag

Pam Richards brags that Lily got Winners Bitch at Mason City last weekend.

Christy Branham brags that Ada had her first shows in Mason City and got first in her class.

**Announcements** – next meeting will be held Sunday, November 13, in the other building – The Dog House at All Breed Obedience, at 2 pm. Ellis Originals will be taking pictures at All Breed November 12 & 13. If you would like to have pictures done, just call All Breed and make an appointment.

Respectfully Submitted by, Jackie Bergeron, Secretary

## HOME-CARE MEDICINE CHEST

First aid and home remedies don't replace proper veterinary care, but they can keep dogs more comfy until medical care is available. And sometimes a home remedy is all that's needed. Even if human meds work on dogs, the doses usually are lower due to the smaller size of the dog. Your vet can tell you the exact dose needed for your specific pet but here are some common human medicines that benefit dogs. *by Amy D. Shoial (Sep 28th 2011, Filed Under: Dogs, Pet Health)*
